

NATDANAI KANYAKOON

SOFTWARE DEVELOPER

Bangkok, Thailand
Tel. +668-365-36262
Email: moss10612@gmail.com

Professional Summary

A simple person who want to push through to the limit "I will never do that " with fixed mindset that I was not engineering student. After realize, my background degree is not fit with my interest at all I want to try something new that I have never learned before. Then coding is an answer which can improve this world to not stop orbit. Finally, I found it and i will dedicate for it.
